#### **QUOTE OF THE DAY**

"To begin, begin." – William Wordsworth

"There is a fountain of youth: it is your mind, your talents, the creativity you bring to your life and the lives of the people you love. When you learn to tap this source, you will have truly defeated age." – Sophia Loren

"My own heroes are the dreamers, those men and women who tried to make the world a better place than when they found it, whether in small ways or great ones. Some succeeded, some failed, most had mixed results... but it is the effort that's heroic, as I see it. Win or lose, I admire those who fight the good fight." — George R. R. Martin

"Now and then it occurs to one to reflect upon what slender threads of accident depend the most important circumstances of his life; to look back and shudder, realizing how close to the edge of nothingness his being has come." – Upton Sinclair

"In prosperity our friends know us; in adversity we know our friends." - John Churton Collins

"Maybe... there aren't any such things as good friends or bad friends — maybe there are just friends, people who stand by you when you're hurt and who help you feel not so lonely. Maybe they're always worth being scared for, and hoping for, and living for. Maybe worth dying for, too, if that's what has to be. No good friends. No bad friends. Only people you want, need to be with; people who build their houses in your heart." – Stephen King

"The rules are simple. Take your work, but never yourself, seriously. Pour in the love and whatever skill you have, and it will come out." – Chuck Jones
